Ravasol

Refined Linseed Oil

Description

Ravasol Refined Linseed oil is a fully alkali refined, bleached and de-waxed product of low viscosity. Suitable for a wide variety of applications, including but not limited to: -

- production of oil modified polyester resins (alkyd resins)
- stand oils
- printing varnishes
- maleate and urethane oils in the synthetic resins, coatings and printing ink industry
- pigment paste binder

Properties

Property	Value
Acid Value (mg KOH/g)	0.3 max
Colour Gardner 1953	6 max
Colour after heating, Gardner	4 max
Iodine Value (Wijs)	175-190
Saponification Value (mg KOH/g)	189-195
Viscosity at 25°C (Stokes)	A1 - A
Safety Classification	Non-hazardous (SDS available upon request)

Packaging

- 210 litre UN-standard steel drums at 190kg net
- 1000 litre Intermediate Bulk Containers at 950 kg net
- Other packaging may be available upon request

Shelf Life

When stored / un-opened in the original packaging and protected from direct sun light at 10-30°C the shelf life exceeds 12 months. If customer's storage conditions are not aligned to these parameters, then tests should be carried out to determine the shelf life under alternative and specific storage conditions.
