Ref – Company Address Change

Date – 18th May 2022

Dear Business Partner

We are pleased to confirm that, as part of our growth plans, we recently have moved into a new facility in Barnsley UK. This project has taken a considerable amount of time in both the planning and implementation stage, but we are now fully operational at the Everill Gate Site.

The advantages this should bring to our Business Partners:-

- Brand new facility
- Central UK location with excellent road, rail and air travel links to the area
- Offices and meeting facilities
- Warehousing
- Bulk liquid decanting operation
- Laboratory and sample preparation
- Capacity to grow

Our new registered address is now:-

**Ravago Chemicals UK Ltd
Unit 1 Everill Gate Business Park
Everill Gate Lane
Wombwell, Barnsley
S73 0FJ, United Kingdom
Tel + 44 (0) 1226 818 318**

Company registration number and VAT number remain unchanged.

We would ask all Business Partners to update your systems and send all future mail to this new address.

Thank you for being part of our success story and trust that we can continue to develop with you.

Yours sincerely
